Hello Fellow Navy Leaguers,

Happy New Year!!!!

#### **We are gearing up for our Annual Crab Feed Fundraiser.**

The Flyer to purchase tickets is in this newsletter, it is a great event and a great opportunity to support our mission, so we hope to see **ALL OF YOU** there.

It’s our largest fundraiser of the year and we are always looking for donated items for our Silent Auction and Raffle, so if you have a favorite business or activity consider asking them if they would donate an item or experience for our fundraiser.

We have included a copy of the Donation Request letter in this newsletter to use for requests, and will be emailing a copy of the Donation Request Letter out to all our members who have email on file to use in this ask. The Alameda Council, NLUS is a registered 501c3. If you don’t have an email on file or have questions reach out to me at [barb.day.ca@gmail.com](mailto:barb.day.ca@gmail.com) or cell # 510-427-0072.

Best,

The Navy League of the United States was founded in 1902 with the encouragement of President Theodore Roosevelt. The Navy League is unique among military-oriented associations in that it is a civilian organization dedicated to the education of our citizens, including our elected officials, and the support of the men and women of the sea services and their families. You need not have served in the military to be a member of the Navy League.
